

Carpet 'The Meadows' designed by Märta
Måås-Fjetterström, for MMF AB, Sweden
1940s

Knotted pile.

In 1928, the Swedish American Line's M/S Kungsholm was envisioned as a floating showcase of Swedish 1920s classicism. Architect Carl Bergsten brought together the era's most prominent designers to create its interiors, including Märta Måås-Fjetterström.
