Svenskt Tenn
Sweden, 1938

Marked 'TYP 2431 SVENSKT TENN'

Black-lacquered brass and lacquered paper shades.

The floor lamp, model 2431, is a timeless design by the renowned Swedish architect and designer Josef Frank for Svenskt Tenn. Crafted in 1938, the lamp features a slender, black-lacquered brass stem, giving it a sleek, minimalist profile. Three brightly coloured, lacquered paper shades—green, red, and yellow—gracefully arc from the top, each on its own adjustable brass arm. These shades not only serve a practical purpose, casting soft, directional light, but also add a playful touch of colour, typical of Frank's whimsical approach to design.
